West Branch (1A) fair and races will  
be held Aug. 18 to 20.

C. F. Dunbar, the Buffalo horseman,  
has become a beneficiary.

Two-year-olds have been given a  
place at Fleetwood again this year.

Build Doble has returned to this  
country after a nine months' trip abroad.

Tattersall's property at Lexington  
has been placed in the hands of a receiver.

The New York Driving Club pays \$6,  
000 for the lease of Fleetwood park this year.

Frank G. Thompson, Toledo, has pur-  
chased the Electioneer trotter Willie R.  
2:24 1/2.

Some of the tracks recently admitted  
to the grand circuit will be dropped this year.

Trainer George Starr will probably  
have the fast western pacer Jo He, 2:05,  
this season.

The bay gelding Chance, 2:12 1/2, by  
Mohican, is said to have trotted a mile  
in 2:08 last fall.

W. Perry Taylor, Buffalo, the former  
owner of Alamo, 2:04, drives a son of  
Guy Wilkes on the road.

Rail Baltic, the Kentucky stallion,  
has arrived safely in Vienna and will  
be put in training at once.

Mr. J. Tarleton of Lexington has pur-  
chased the bay mare Elisidora (dam of  
Ernie, 2:14 1/2), by Sir Walter.

Thomas Murphy, the American trainer  
who went to Russia two years ago,  
has engaged to train in that country for  
another year.

The pony trotter Wannie B. Baly, by  
Chronos, 2:12 1/2, dam Wannie Jefferson,  
3:30, by Thomas Jefferson, has been  
shipped to England.

Gerald Rex, by Rex American, out of  
the dam of Robert J. 2:07 1/2, is owned  
by Ed Green as the greatest prospect for  
a world beater that he has ever handled.

**Sharkey's Chance.**  
If Dan Lynch, manager of Tom Shar-  
key, is really as anxious to match the  
earlier against Peter Maher as he claims  
to be, then there is an excellent chance  
of the two big fellows coming together  
in a limited round contest or to a finish  
providing Dan Stuart offers a purse for  
the fight. Maher has already said that  
he would be pleased to meet Sharkey in  
a finish fight for \$5,000 or \$10,000 a  
side, and as Sharkey has made the same  
announcement there is no reason why  
they should not fight it out. Stuart is  
anxious to arrange a fight between these  
two, but he is undecided in Carson City, Nev.,  
but he does not intend to make an offer  
to Maher and Sharkey until after the  
Corbett and Fitzsimmons fight is over.  
Stuart's reason for waiting that long is  
probably due to the fact that he wants  
to see what kind of a success the Cor-  
bett and Fitzsimmons contest will be.

**Some Curious Definitions.**  
Three young beings are bearings in  
which each ball comes in contact with  
the cone and cup at three points only.  
In the bearings most generally used the  
inside of the cups is concave, conforming  
to the shape of the balls. By the term  
"Globe frame" is meant a frame in  
which the crank bearings are located in  
ground that those of the front and rear  
wheels. In a bicycle in which these  
joints are used in no place is the point  
of junction of one piece of tubing with  
another visible, the frame appearing to  
be composed of only one forging. By  
"tread" is meant the length of the axle  
to which the cranks are attached. Lan-  
guaged terms are those which are built  
up of layers of stiff wood. Drilling,  
which is used in the rear forks and back  
stays of many 1897 models, is, as its  
name indicates, shaped like the letter  
"D." The flat surface being on the side  
nearest the wheel.—New York Journal.

**Crossing a Saddle.**  
The inexperienced rider about to pur-  
chase a new bicycle should use great  
care in the selection of his saddle. No  
general rule can be followed in this re-  
gard as a saddle which suits one man  
may be unsuitable for another, and a  
trial of different kinds should be made  
until one is found to fit. Experienced  
riders, as a rule, find a hard saddle with  
very little spring the most comfortable,  
one which is made of material which  
will not stretch or lose its shape from  
use being preferred.—New York Journal.

**The Return of the Brake.**  
"There are signs," says a cyclist, "of  
at least a partial return to the use of  
the brake, but universally discarded dur-  
ing the past two seasons. They are not  
very often needed; but, like firearms in  
Texas, when the emergency does come  
they are jewels of great price. The ad-  
ditional weight of the modern brake is  
insignificant, and the safeguards around  
the pastime of cycling are none too  
many anyhow. Upon a woman's bicycle  
at least the brake should be an indis-  
pensable accessory."—New York Sun.

**The Bicycle a Cure All.**  
Paris has a physician who says that  
"so far from it being necessary for a  
patient to always take medicine, this  
form of treatment is a mere concession  
to the patient or a symptom of ignorance  
on the part of the physician." Bicy-  
cling, he says, is a panacea for all known  
ailments, of which he gives a long list,  
and he goes on to say that any man  
who is in poor health, but who is not  
old, but gives facts and quotes the op-  
inions of many other doctors who hold  
the same view.—Exchange.

**Cyclists and the Law.**  
In an opinion filed by Justice Mitchell  
in the supreme court he says the rule re-  
quiring a pedestrian to stop, look and  
listen before crossing railroad tracks  
must be observed by bicyclists. If they  
don't, they cannot recover damages, al-  
though contributory negligence.—Phila-  
delphia Item.

### AT ADAMS TODAY

Germania Concert and Ball.

The Germania orchestra will hold their  
second annual concert and ball in the  
opera house Friday evening, March 5.  
The occasion has always been one of  
pleasure and enjoyment. The principals  
were very generous in giving free con-  
certs at the band stand on Centre street

ciprocate. Following is the concert pro-  
gram:

Concert at St. Mark's.

A fine concert was given in St. Mark's  
parish house Thursday evening and the  
attendance was large. The solos by Mrs.  
Hawkins and J. K. Smith of North Ad-  
ams, and Walter Norman were well re-  
ceived. Prof. Monroe's violin selections  
and the work of his juvenile orchestra re-  
ceived many compliments. Miss Edith  
Hall's piano solo was very commendable.  
The quartette singing by Misses Knapton  
and Harwood and Messrs. Norman and  
Fifeled was good. The accompaniments  
played by Miss Alice Smith of North Ad-  
ams and Mrs. E. J. Noble are also deserv-  
ing of merit. Miss Katherine Morrissey  
of Pittsfield as usual pleased the audience  
with her readings and she received re-  
peated encores. The closing work of the  
choir was excellent and much credit is  
due Mrs. Babner, who conducted the af-  
fair. A neat sum was realized.

Another Narrow Escape.

Narrow escapes continue at the Par-  
street railroad crossing. Thursday noon  
as the 11:50 passenger train was coming  
the depot started a large number  
by the thrill of the engine. Those  
near the crossing held their breaths, as a  
woman crossed the track just ahead of the  
engine. She was Mrs. George Goldth-  
waite and she seemed wholly unconscious  
of the approaching train and her peril.

Badly Bruised.

Charles Robinson, a locomotive fixer at the  
Renfrew company's yard, was injured  
last night when he fell from the top of  
a locomotive. He was badly bruised  
and his head was injured. He is now  
in the hospital.

Taken Suddenly Ill.

Mrs. Mary Dunham of Maple Grove  
was taken sick while at work in the Ber-  
kshire mills Thursday afternoon and  
started for her home. When she reached

Officer Ford assisted her to Dr. Crowley's  
office and after receiving medical aid she  
was carried to her home.

faculty ordered all the students to stay at  
home until further notice.

Richday Party.

rett's home on Park street Thursday evening  
in honor of his daughter, Mamie's  
birthday. During the evening "pillow  
talk," "Dan Tucker" and other games  
were played, vocal and instrumental  
selections were rendered by the company,  
and the evening was one of pleasure.

## CHESHIRE.

Church Business Meeting Held.

The adjourned business meeting was  
held at the Baptist church Wednesday  
evening. Rev. H. S. Johnson of Pittsfield,  
one of the members of the committee  
chosen by the association, was chosen  
moderator. The meeting opened with  
prayer. The clerk and treasurer's re-  
ports were read and accepted. George  
Northup requested the clerk to read a  
letter which he said he understood had  
been received from Rev. E. M. Harding,  
the former pastor of the church. Mr.  
Harding requested the amount of \$40.00 to  
be paid to him, which he claims is still  
due him.

Rev. H. S. Johnson said that he had  
taken counsel with the other members  
of the committee and that their idea of  
justifying the difficulty was to meet the  
payment of the debt as a church, thus re-  
moving the one serious obstacle for the  
future welfare of the church and establish  
peace and harmony. A. J. Leonard made a  
motion which was not carried; that the  
method taken to cancel the debt be as  
follows: The "Hardingites" pay the \$40.00  
and while they are doing so, they need  
not contribute to the support of the  
present pastor, Rev. George E. White-  
house, but that the "Hardingites" fac-  
tions will pay all expenses due to Mr. White-  
house until the debt to Mr. Harding has  
been paid. H. T. Vine proposed that a  
committee of five be appointed to cir-  
culate a subscription paper and en-  
deavor to raise the requisite sum of \$40.00  
before next Thursday night. This propo-  
sition seemed to be satisfactory and the  
following committee were chosen for this  
purpose: Charles Mason, Emma Martin,  
L. J. Northup, W. P. Bennett, and V. A.  
Whitaker of North Adams. The meeting  
was adjourned to next Thursday night.

Miss Annie Endie is home from the  
Bridgewater normal school for two weeks,  
the school being closed owing to scarlet  
fever.

and Mabel Davies left town this afternoon  
to attend a reception at Schaghticoke, N.  
Y., this evening.

gone until June. He will be the oldest  
member of the party in years but one of  
the youngest in spirits.

attending the normal school owing to the  
electric road refusing to sell them school  
tickets.

**BUCKLAND.**

The funeral of Mrs. J. F. Ward, a former  
resident of this place, was held in the  
church Sunday, February 21. It was at-  
tended by a large number of friends from  
this and surrounding towns, who came to  
pay this last tribute to one who will be  
missed by all.

sponsoring a few days at A. G. Hawker's.

Elmer were guests of J. F. Ballard over  
the Sabbath.

The grammar school took a ride Friday  
through Ashfield to Shelburne Falls, and

Miss White has sixteen pupils in her  
school this winter, and has been having

congregational was to have a prize. Jay  
Beebe won the prize having nearly six  
hundred words.

The College Tax—A Jolly Camp Fire—  
Fined for Selling Liquor.

THE DAILY TRANSCRIPT WILL  
BE DELIVERED AT YOUR HOUSES  
FOR 12 CENTS A WEEK. ORDERS  
MAY BE LEFT WITH MRS. A. NIC-  
HOLS, SPRING ST., OR ALFOP &  
GRUNDY, COLE AVENUE.

The College Tax.

The people of the town are much grati-  
fied by the decision of the superior  
court regarding the taxation of college  
property, which was published in Thurs-  
day's papers. The assessment of college  
property was begun in 1885 and the de-  
cision justifies the action of the assessors,  
John B. Waterman, John Navin and C.  
D. Phelps, who are still in office. The  
same property was assessed again last  
year, although the matter was still in the  
courts, and to that which was assessed  
before there was added Weolon field, the  
college infirmary with one acre of land,  
and four acres on Park street. The tax,  
like the first, was paid under protest and  
some think there will be another suit,  
while others think the present decision of  
the supreme court will perhaps discourage  
the college from making any further  
fight. But the fact that certain college  
property is taxable has been established  
and therein lies the victory of the town.  
Now that so much has been settled, the  
question of what property should be taxed  
and what exempted ought to be disposed  
of without much difficulty.

A Jolly Camp Fire.

The camp fire held Thursday evening by  
E. F. Hopkins post was a very pleasant  
affair and was enjoyed by many veterans  
and associate members of the post. Sev-  
eral members of Sanford post were pre-  
sent from North Adams. It was an old-  
fashioned camp fire and the hours passed  
quickly and pleasantly with speeches,  
songs and war stories. Hardtack and  
coffee were served and pipes were smoked  
until the atmosphere of the room re-  
sembled that of a battlefield. All had a  
good time and the hour was late when  
the gathering broke up.

Fined for Selling Liquor.

Charles Odell of the Commercial house  
was before Judge Danforth Thursday  
charged with a single sale of intoxicating  
liquor. He was convicted and fined \$50  
and costs, but appealed and gave bonds  
for his appearance before the grand jury  
in July. There were some things which  
indicated that the prosecution was  
prompted by spite. The informant and  
only witness against Odell was a man who  
had stopped at the house and had some  
trouble with the proprietor about his  
board bill.

The Boston Finishing works team took  
a little run from the freight depot Thurs-  
day. The sleigh struck the bridge, but  
the horses kept on all they struck a trot-  
ing pole near E. D. Noel's store on Cole  
avenue. The harness was broken and the  
sleigh damaged, but the horses were not  
hurt.

Thomas Dunton, coachman for E. C.  
Gale of Troy, N. Y., who has a summer  
home here, was in town Thursday to look  
at the horses which are being wintered  
here.

Miss Lizzie Orr is visiting friends in  
Holyoke.

Neyland & Quinn received a new de-  
livery sleigh Thursday, made by the  
Homer Wagon company of Homer, N. Y.

Joseph Robinson is sick with the grip  
and under the care of Dr. Hall.

The Franco-American club's entertain-  
ment in Houghton hall Thursday evening  
was well attended and passed off  
pleasantly.

The social held by Green River grange  
Wednesday was a social and financial suc-  
cess. Porter's orchestra furnished the  
dance music and all present had a happy  
time.

The annual winter meet of the Williams  
College Athletic association will be held  
in the gymnasium Saturday afternoon at  
3 o'clock. The price of admission will be  
25 cents.

The Woman's Relief corps will hold a  
social and dance in Grand Army hall next  
Tuesday evening.

The firemen's ball comes tonight and  
the indications are that it will be the  
most successful ever held by the depart-  
ment. Porter's orchestra will furnish the  
music, a good supper will be served and  
the price will be \$1 per couple.

The dance to be held in Grand Army  
hall Monday night by the young people  
will be the last of the series to be held be-  
fore Lent. There will be dancing from  
6:30 to 12 o'clock, and then a spread will  
be served.

Miss Gertrude Clark, organist of the  
Congregational church, is on the sick  
list.

R. H. Lausing, who has been laid up by  
sickness for several weeks, is out again.

F. Lenke and family will go to New  
York about March 1 to remain till late in  
the spring.

Mrs. Keyes Danforth is visiting in Bos-  
ton.

Mrs. Frank Moon has moved from Cy-  
rus Ford's house into Charles Prindle's  
house at Charlestown.

Hiram Walker has moved from Charles  
Prindle's house into Moses Noel's house  
near the Lally mill.

**ROWE.**

The town report is out and shows a bal-  
ance in the treasury of \$1088.08 with \$500  
due on a note ordered paid from the past  
year's taxes. The highways have cost  
\$1027, the schools \$1264, other bills \$1728.  
The annual town meeting is next Monday  
with very little interest shown about  
the election of officers. A dinner will be  
served in the town hall Monday.

There is a Class of People  
Who are injured by the use of coffee. Re-  
cently there has been placed in all the  
grocery stores a new preparation called  
GRAIN-O made of pure grains, that  
takes the place of coffee. The most deli-  
cious and healthful it without caffeine,  
and it does not cost over one-fourth as much  
as coffee. It does not injure the stomach,  
15c and 25c, per package. Try it. Ask  
for GRAIN-O.

## WHITINGHAM.

Those who are interested in the library  
may send a list of the books they would  
like to read to Mrs. H. A. Wheeler or Mrs.  
L. H. Sawyer and as many of the books as  
possible will be purchased. All who can  
help will be appreciated. Mrs. Sawyer next Saturday
